

Download Animal Cell Rap

This rap was created for a 6th-grade science classroom to teach about the different parts of a cell. With its catchy rhythm and rhymes, students of all learn...cells..we're made up of cells cells are made of organelles all plants and animals are made up of cells each cell is made up of parts called organelles so tiny you need a microscope to see about 100 trillion cells make up you me even tinier are the parts called organelles most important is the nucleus, it's the brains of the cellPlant and Cell Rap that covers Virginia Sol5.5aAn educational video for kids. The computer animated rap song gives the basics about plant and animal cells. Lyrics include "Plants and animals are as different as day and night but plants and animals have cells which makes them much alike. The cell is the building block of all living things, making plants and animals the king of cellular swing., Animal Cell Rap.
