

Download China Government House

In the politics of the People's Republic of China, the Central People's Government forms one of three interlocking branches of power, the others being the Communist Party of China and the People's Liberation Army. The State Council directly oversees the various subordinate People's Governments in the provinces, and in practice maintains an interlocking membership with the top levels of the Communist Party of China. The legislative branch of the government of China consists of the highest department of the Communist party, the National People's Congress. This body plays a role in debating policy proposals and mediating discussions among its 2,987 members. Representatives are elected for 5-year terms and meet once a year. Government House, located on Government Hill in the Central District of Hong Kong Island, is the official residence of the Chief Executive of Hong Kong. The building was constructed in 1855 as a Colonial Renaissance style, but was significantly remodelled during Japanese occupation, resulting in the current hybrid Japanese-neoclassical form. Government House was the official residence of the Governor from 1855 to 1997, when the city was under British rule. 25 governors of Hong Kong, out of total One of China's largest state-owned property developers broke ground this week on a mixed-income housing project in a somewhat unlikely locale. The Chinese government is building affordable housing ..., China Government House.
