- ...COMPOSITION OF TEAM School Improvement Team (SIT) •2/3 Classroom Teachers •1/3 Professionals non teaching District and Campus-level staff •Parents •Community Members •Business Representatives Business Representative(s) (1) Community Member(s) (1) Parent(s) (1) TERMS: Representatives shall serve staggered

Because the planning team serves as the school's unit of shared governance and accountability, each school will have a fully constituted team functioning throughout the year. Members who are elected are encouraged to make a minimum commitment to serve for one year. III. Authority and Responsibility The School-Based Planning Team is Organizing for Implementation An SIP Implementation Team should be organized in the school by the school head to:

1. manage SIP implementation;
2. organize priority improvement area team approved by the school head which will manage different programs and activities in the AIP and the 3-Year Work and Financial Plan;
3. make regular reports (e.g. monthly) to the school head as regards status of SIP implementation;
4. make recommendations to the priority improvement area team regarding ...
