

Download Composition On First Day At School

My First Day at School. Essay No. 01. Life is full of new events. Going to a school for the first time for a child is to face a new situation. It is a new event for him because its atmosphere is quite different. First day at school is an experience which I cannot forget. Its memory is still fresh in my mind. It was July 15. First Day at School- Simple Essay/Paragraph for children, kids, students of grade 3,4,5,6,7. It was my first day at school. I had a new bag, water bottle, new books, shoes and socks and also a Dora shaped tiffin box. The first day of a new school is very difficult because you don't know any one and u feel all alone. Most kids do good because they are a people person which can help because they talk to people and know where or how to get around from talking to other kids. It is natural on the part of every student to remember the first day at school. It gave me a terrible feeling of fear and anxiety as I went to school with my father. It was my mother who first thought of sending me to school., Composition On First Day At School.
