

Download Greater Than And Less Than Activities

“Less than, greater than” math activity – using toys! by Anna G July 26, 2014 34 Comments We’re on a journey to explore the whole alphabet , and for each letter I choose a particular math activity for preschoolers which can often be adapted for older children as well. Comparing numbers doesn’t have to be boring. Here are five fun greater than less than activities your kids will love. They make easy, low-prep math centers, too! Greater Than Less Than Stamp. Do you have an alphabet stamp set? If you have one with a letter “v” that isn’t too fancy, use it as a greater than, less than stamp.
