Should you hold a client appreciation event? Well, you don't need to do anything, but the short answer is HELL YEA. WHY? Because its the ultimate way to connect with the most important asset in your business in a very natural way, your DATABASE. The most important kind of marketing you can be doing in your business is one that focuses around nurturing the relationships you have in life ...Good post Joseph, thank you. I have had the realisation through therapy that my controlling ways are fear based. They are a learned behaviour from childhood which served me well at that time but don't serve me as an adult now and especially when my desire is to have nourishing contact with others. It pays to be really good at employee recognition. Companies with a solid strategy to recognize team members enjoy stronger engagement, increased employee morale, better customer service, and lower turnover. Acknowledging achievement can have serious ROI – to the tune of 50% higher productivity and as much as 20% increase in business outcomes. How do you write a Thank You Letter of Appreciation? A thank letter of appreciation is usually written by a person as an acknowledgement to a service rendered or help offered. This letter actually makes the receiver feels special and would lead him to being equally understanding in the future too thanks to all the positive observations that you would make in the letter., Reply To Appreciation Mail From Client.
