

Download Social Planning Definition Pdf

Social Planning and Social Policy 205 with alternative courses of action and in turn requires explicit evaluation and choice among the alternative matching goal- action sets. Alfred J. Kahn defines planning as follows: Planning is policy choice and programming in the light of facts, projections and application of values. Social planning is usually defined as the process by which a group or community decides its goals and strategies relating to social issues, such as aspects of the quality of life and the circumstances of living in society. Social Planning is all about change and how we manage it effectively – changing populations; changing expectations; how change is resisted or embraced. Local Social planning is a process for planning social services programs, services, and policies. Government agencies engage in large-scale development, research, and planning to address social problems., Social Planning Definition Pdf.
